MANAGING GLOBAL EHS PROGRAMS: COLLABORATIVE LEARNING EVENT

HOSTED AT **QUAKER CHEMICAL CORPORATION**

One Quaker Park, 901 E. Hector Street, Conshohocken, PA 19428

Today's event will leverage the experience and knowledge of you and your fellow attendees to seek new strategies for advancing EHS programs on a global scale. Attention will be given to identifying the issues that remain priorities on senior managements' agendas and how EHS professionals can continue to demonstrate the business value of their programs. We encourage everyone to share their ideas and contribute to the overall learning experience!
